

## Reminder: Captains' Challenges 2022. Sluispolder, Thursday 7 July.

The Captains' Challenges will be held this year at the Sluispolder course near Alkmaar about a one hour drive from ESTEC. (We have decoupled Captains Day which will be rescheduled for later in the year). None-the-less, **the event is open to 'guests' and members of the EGC are invited to participate.**

The team at Sluispolder has been very accommodating for us for many years, going back to the annual matches against the Petten, Joint Research Centre. More recently we played the Spring Seasonal events there in 2020 and 2021.

The arrangement for golf and dinner is €90 (green fee for golf only €56.70). The dinner menu choices (with lots of frites) are noted below but your choice need not be made until arrival at Sluispolder.

Registration is open on Proware and will close on 4 July. **The first tee time will be at 12:02.** Please indicate under 'Opmerking' if you will stay for dinner and if you want a buggy seat.

---
